

LED G24

Product Description:

QCOM's Plug-In LED Lamps offer a versatile LED solution for replacing compact fluorescent plug-in lamps.

Ballast-compatible feature provides flexibility for any installation.

With multiple base options (G24d, G24q) and full CCT coverage (2700K-6500K), these lamps ensure a smooth transition to energy-efficient lighting. With high efficacy, a long lifespan, these lamps maximize performance while minimizing maintenance and energy costs for commercial, residential, and retrofit applications.

Feature:

1. Broad Compatibility: Replaces any fluorescent plug-in lamp, with multiple wattages and base types (G24d and G24q) to match existing fixtures.
2. Complete CCT coverage: Available in 2700K, 3000K, 4000K, and 6500K fixed options.
3. High Efficiency & Longevity: Delivers up to 120lm/W with a 30,000-hour lifespan, reducing energy and maintenance costs.
4. Flexible: Omnidirectional Light Distribution provides wide, even illumination.

Specifications:

Model	TL-G24-7W
Tube Body Material	PC
Nominal Wattage (W)	7W
Lumens Delivered (lm)	840lm
Efficacy (lm/W)	120lm/W
CRI	80Ra
Color Temperature (K)	2700K/3000K/4000K/6500K
L70 Lifetime (Hrs)	30,000hrs
Input Voltage	AC220-240V (50/60Hz)
Beam Angle	360°
Power Factor	0.9
Operating Temperature	-20 - 45 ° C
Warm-up time (60%)	<0.5s
Base (standard designation)	G24
Mercury content	0g
Mercury-free	Yes
Type of protection	IP20

Dimension:
